ARE AFTER THE CUP

New York Yacht Club Has Received
Two Challenges for Races for
American Trophy

LIPTON WILL BE DOWNED

As He Has Had Several Chances
Other Contestants Will
Now Be Given a
Chance.

New York, June 23.—Gossip among
yachtsmen here is to the effect that
two challenges may be expected in
the near future from England, and that
there will be a race for the America's
cup next year if the New York Yacht
Club will accept the challenge. Two
British yachtsmen are ready to build
boats, and they are now at work on
plans to capture the trophy which has
been emblematic of yachting supremacy
for more than 50 years.

One challenge is expected through
the Royal Clyde Club and another
through the Royal Ulster Club. Sir
Thomas Lipton, representing the latter
club, already has had so many chances
at lifting the trophy that it is likely
that the Clyde club challenge will be
accepted. Under the new rules govern-
ing the cup contests, Reliance and
Constitution, on account of their ex-
cessive draught, will be barred from
taking part in the trial races, but it is
possible that provision may be made
to allow Reliance to compete and that
the clause limiting draught shall not
apply in this case. In any event, a
new defender would have to be built.

Ten months' notice must be given by
the challenging club, and if the races
are to be sailed in August the chal-
lenging must be accepted not later than
next October.

CHILDREN KILL BROTHER.

Peculiar Murder in Indian Tribe of
Nevada.

Salt Lake, June 23.—A special to the
Tribune from Modena, Utah, says:
Two Indian children of Eagle Valley,
Nev., have murdered their 3-year-old
brother. The oldest of the fratricides
is 7 years of age, a girl, and the other
is but 4, a boy.

Indian Jack, the father of the chil-
dren, and his wife left their tepee to
haul wood and on returning to their
tent found their youngest child with
its ribs caved in and its backbone
severed from its fastenings.

Owing to the fact that the two older
children had shown a decided aversion
to the dead child, they were at once
accused of the crime. They, however,
maintain the reticence characteristic
of the Indian and have refused to an-
swer questions.

The father of the boy, who is an
educated red man, is almost heart-
broken over the affair.

CASTLE IS TREASURE HOUSE.

Millions in Jewels Found in Castle
Taken for Debt.

New York, June 23.—Angelsey castle,
which was recently taken possession
of by bailiffs as a consequence of an
action taken by the creditors of the
marquis of Angelsey, is declared to
be a veritable treasure house, says a
Herald dispatch from London. One
report is current to the effect that gems
to the value of \$125,000 were found
lying in a drawer, and it is now stated
that the castle contains property af-
firmed to be in the aggregate worth
more than \$5,000,000. Scores of ob-
jects of the richest art are said to
have been found just as they arrived
from Paris, simply opened and put
aside unpacked.

Port Arthur Fight Reported.

Chefoo, June 23.—2:30 p. m.)—It is
reported here that the Japanese made
a determined attack upon Port Arthur
from land and sea yesterday, June 22,
and also during the night. Two steam-
ers just arrived passed Port Arthur
at 1 o'clock this morning, some distance
off shore. The captains, both reliable
men, say they did not hear any firing
at that hour.

Salmon Scarce in North.

San Francisco, June 23.—Informa-
tion received from the north indicates
a small salmon supply this season.
The season is so backward that ice
packs have interfered seriously with
the operations of the canneries, which
in some instances has been impossible.

The Grotto handles nothing but
straight liquors; no blended goods in
the house.

KICK AND SCREAM

Baby's Awful Suffering from
Eczema.

Could Not Hold Her. She Tore
Her Face and Arms.

Cuticura Saved Her Life, So
Mother Says.

"When my little girl was six months
old, she had eczema. We had used
cold creams and all kinds of remedies,
but nothing did her any good, in fact,
she kept getting worse. I used to
wrap her hands up, and when I would
dress her, I had to put her on the table
for I could not hold her. She would
kick and scream, and when she could,
she would tear her face and arms
almost to pieces. I used four boxes of
Cuticura Ointment, two cakes of Cuti-
curea Soap, and gave her the Cuticura
Resolvent, and she was cured, and I see
no traces of the humor left. I can
truthfully say that they have saved her
life, and any one suffering as she did, I
should advise them to give Cuticura a
fair trial." MRS. G. A. CONRAD, Lis-
bon, N. H., Feb. 7, 1898.

Five years later, viz., Feb. 23, 1903,
Mrs. Conrad writes:

"It is with pleasure that I can
inform you that the cure has been per-
manent as it is now six years since she
was cured, and there has been no return
of the disease since, and I have advised
a lot of friends to use the Cuticura
Remedies in all diseases of the skin."
Instant relief and refreshing sleep for
skin-tortured babies, and rest for tired,
fretted mothers, in warm baths with
Cuticura Soap and gentle anointings

cure and purer of emollients, to be
followed in severe cases by mild doses
of Cuticura Resolvent. This is the
purest, sweetest, most speedy, per-
manent and economical treatment for
torturing, disfiguring, itching, burning,
bleeding, scaly, crusted and pimply
skin and scalp humors, eczemas,
rashes and irritations.

Austrian Cruiser Overdue.

San Francisco, June 23.—The Aus-
trian cruiser Kaiserin Elizabeth, which
was expected to arrive in this port
from Asiatic waters nearly a month
ago, has not put in an appearance. The
delay is causing uneasiness. The Aus-
trian ambassador at Washington has
been requested by Austrian residents
of this city to ascertain the where-
abouts of the cruiser.
